WEATHER:

1. Tours are mildly weather-dependent, but we will operate in most weather conditions.

3. Please monitor the weather and let us know at least 24 hours before your tour if you'd like to cancel or reschedule which follow our cancellation policy unless we cancel the tour.

RESTRICTIONS:

1. This is an adventure activity, so a moderate level of fitness plus upper body and core strength is required.
2. We recommend a weight limit of 100–110 kg per person.
3. This limit is based on harness size and strap circumference, not weight alone.
4. If you're over 100–110 kg but fit and in good shape, your body shape will likely fit the harness comfortably.
5. Minimum age: 5 years old.

TANDEMS/CHILDREN:

1. We can offer 2 tandems per tour time.
2. For safety, tandems are only available for guests weighing under 50 kg.

4. Minimum age: 5 years old.
5. Children aged 5–9 years will most likely need to do the tour in tandem with a guide.
